

## Thiruppaavai – Day- 15

எல்லே! இளங்கிளியே இன்னம் உறங்குதியோ  
சில்லென்று அழையேன் மின் நங்கைமீர் போதருகின்றேன்  
வல்லை உன் கட்டுரைகள் பண்டே உன் வாய் அறிதும்  
வல்லீர்கள் நீங்களே நான் தான் ஆயிடுக  
ஓல்லை நீ போதாய் உனக்கு என்ன வேறு உடையை  
எல்லாரும் போந்தாரோ? போந்தார் போந்து எண்ணிக் கொள்  
வல்லாளை கொன்றாளை மாற்றாரை மாற்று அழிக்க  
வல்லாளை மாயாளை பாடு ஏல் ஓர் எம்பாவாய். - 15

(This verse is like a conversation between Aandaal and a Gopika, Aandaal's friend).

- "Hello, young parrot (Gopika who talks so sweet like a parrot), are you still sleeping?"
- "You, the Blessed ones! Don't shout to wake me up please, and I am coming " –
- "We know your expertise in talking " –
- "No No. you are all the real experts in talking " –
- "Come quickly, do you need any special treatment or any courtesies to be extended?"
- "Have all our friends arrived? " –
- "Yes, they all came and you yourself can come and count them. Please consider joining us in singing the glories of our Supreme Lord Sri-Krishna, who did the most astonishing deeds - killing the rogue elephant Kuvalayaapiida and the wrestlers MushTika and ChaaNuura " .

(Thinking of Lord Sri-Krishna ONLY, one Gopika fell asleep very late in the night. Sleep is an enemy for those who want to be in Sathva-Guna. Wake-up, wake-up, Godha-devi said and that Gopika got angry with all her other friends for shouting at her to wake-up. She said - you could have just touched me to wake me up and that way I would have been purified by your touch. She is very talkative and Aandaal said that all Gopikaas are there except you and please see them and purify your eyes, as you wanted to be purified by their touch. Our spiritual progress depends on the company we keep. – iLam kiLiye – A parrot repeats what it constantly hears – Parrot in a butcher shop was only saying - kill, murder etc., and its own twin parrot in a great Sage's Asram was saying – welcome,

have arghyam, paadhyaam etc... “ ... maathapyekam pithaapyekam ...  
Rushibhiraaniithaa bhavaabhidhrushtam ... samsargajaa: ... “ . Everything is in the  
correct upbringing of a child. Young Krishna alone can protect us.

Krishna killed the elephant Kuvvalayaapiida and the wrestlers Mushtika and ChaaNuura. Paundraka-Vaasudheva was also killed by Krishna. Even though Dhevarshi Naaradha is an Achaarya-SreshTa, still he was perplexed to see Lord Sri-Krishna at all the 16,108 palaces of Sri-Krishna's spouses, at the same time. The Greatest Maayaavi is Lord Sri-Krishna, who could not be understood by anyone, and Bhagavad-Gita 4-9 talks about “ Janma karma cha me dhivyam evam yo veththi thaththvatha:..“).
